The floor plan of the 11th floor is a complex arrangement of office spaces. It features a central corridor system with multiple stairwells and elevator shafts. The rooms are color-coded: yellow for standard offices, blue for larger executive offices or conference rooms, and purple for specialized spaces like labs or design studios. Each room is labeled with a number (e.g., 11.01, 11.02) and a corresponding area measurement in square feet (e.g., 15.85, 11.87). The plan also shows various furniture and equipment, such as desks, chairs, and kitchenettes, providing a clear visual representation of the floor's layout and capacity.
